

# Solar Sonoma County’s Qualified Installer Program

## About the Qualified Installer List

The purpose of the Solar Sonoma County’s Qualified Installer Program is to provide Sonoma County property owners with a consolidated list of contractors who meet certain eligibility requirements for delivering high quality solar installations and energy efficiency retrofitting services.

Our program has been designed to support countywide programs such as The Clean Energy Advocate, Energy Upgrade California, and Sonoma County Energy Independence Program (SCEIP).

## Qualifications

All vendors listed below are required to meet these qualifying conditions:

1. Become an active Solar Sonoma County Member
2. Complete a minimum of 4 projects in Sonoma County within the last 6 months
3. Provide proof of liability insurance and current Contractor State License
4. Sign agreements for quality inspections, Ombudsman service, and Code of Ethics
5. Provide 3 references for completed installations that are to be followed up on by Solar Sonoma County
